### Summary

Fiona is a partner of FRP's Forensic Services practice. Fiona specialises in share and business valuation cases and has experience in the Family Court as well as commercial disputes, tax disputes and professional negligence matters including giving evidence in the High Court and Tax Tribunal. She has been instructed as an Expert in approximately 300 cases in her career to date.

In addition to her valuation expertise, Fiona is also often instructed to provide expert opinion on a range of matters including tax disputes (including EBTs, film schemes, entrepreneurs' relief and Generally Accepted Accounting Practice), officer and employee fraud, auditor and tax adviser professional negligence claims, shareholder disputes, agency disputes and insurance claims.

Fiona has over 25 years experience providing strategic, accounting, tax and corporate finance advice in a variety of sectors. Fiona's clients have included successful entrepreneurs, start-ups, international groups and household names

The practical experience that Fiona has as a corporate finance and practicing tax professional perfectly complements her experience as an expert share and business valuer in Court proceedings - and vice versa.

Fiona has presented both nationally and internationally at conferences for professional training companies, Resolution, the Law Society on matters ranging from share valuation, professional negligence, financial reporting and taxation.

Contributor to Kogan Page textbook "Forensic Accounting & Finance".
