Summary

Nishad is a Partner in FRP's Forensic Services practice. He has over 15 years of forensic experience and has led numerous engagements involving the calculation of quantum of loss in the context of both commercial litigation and international arbitration.

His disputes experience covers contract claims, contentious valuations, shareholder disputes, breach of warranty, business interruption and high net worth divorce matters. He has also worked on numerous post-transaction disputes, whether acting as a party appointed advisor or as an independent accounting expert. He also has experience of assessing liability with respect to auditor and accounting professional negligence claims.

Nishad's wider forensic accounting experience includes investigations into alleged fraud or accounting irregularities/misstatements, regulatory investigations and advisory work.

Nishad's work covers a variety of industry sectors including retail, manufacturing, financial services, energy, mining and metals, real estate, construction, transport, consumer services and technology. His cases can often be international in nature and he has worked on engagements involving Continental Europe, the Middle East, the CIS, Africa and Asia.

He has provided expert opinions on a variety of matters including contentious valuations, loss of profits claims, freezing orders, warranty claims and potential fraudulent conduct.

Nishad is recognised as a leading expert by Who's Who Legal 2020 which states that he is "*conscientious, collaborative and meets all our deadlines*". They praise his "*excellent knowledge of forensic accounting*" and state that "*his communication skills are superb.*"
