

**Enigma Diagnostics Limited (“Enigma”), claims against Harvey Boulter, DLA Piper UK LLP and Charles Cook**

Enigma and its Joint Liquidators, Paul Allen and Geoffrey Carton-Kelly of FRP, are pursuing legal claims in the English High Court against Harvey Boulter, DLA Piper UK LLP, and one of its partners, Charles Cook, for losses caused to Enigma.

The claims arise in connection with investments made in Enigma by a large number of investors who were sold interests in shares in Enigma between approximately 2006 – 2016. A significant proportion of the very substantial sums subscribed by investors and paid to the law firm DLA Piper (over £100 million) was not paid to Enigma and instead was retained by the Porton Group or companies or persons connected to it.

The winding-up of Enigma was commenced on 3 March 2017, with Katherine Merry of PEM, Cambridge appointed as liquidator. Paul Allen and Geoffrey Carton-Kelly were appointed as joint liquidators, taking over from Katherine Merry on 19 February 2018. The Joint Liquidators’ role as liquidators of Enigma is to investigate the company’s affairs and dealings, to get in and realise any assets and to ultimately distribute any such assets to creditors and shareholders.

If you are someone who invested in or purchased an interest in shares in Enigma, you may continue to hold documents or have information relevant to the ongoing claims.

If you do hold any such documents or have information to share about what you understood the nature of your investment to be, I should be grateful if you would first of all send an email to Samantha Neads of my office at the email address [Samantha.Neads@frpadvisory.com](mailto:Samantha.Neads@frpadvisory.com), copied to our English solicitors, Macfarlanes LLP, at the email address “[\\_Enigma@macfarlanes.com](mailto: _Enigma@macfarlanes.com)” (please note the underscore preceding Enigma: ‘\_Enigma@...’) and one of us will contact you to arrange a time to speak.

Yours sincerely

**Paul Allen**  
**Joint Liquidator**
