Description

As you step through the front door, you're greeted by a practical entrance porch that offers a convenient space for storing shoes and coats. From this welcoming area, a staircase ascends to the first floor.

An inner hall connects you to all the main rooms of the home. To your left, you'll discover a generously sized double bedroom, providing plenty of room for your bedroom furniture and personal touches. Returning to the hall, you'll find a doorway that leads to the main living space, which seamlessly combines the kitchen, dining area, and living room.

There is also enough room to accommodate a small dining table and chairs, making it perfect for casual meals. Completing the first floor is a well-appointed bathroom, which includes a bath with an overhead shower, a WC, and a hand basin for your convenience.

Another staircase takes you to the loft space above, which offers endless possibilities as either additional storage or a study/playroom.

Outside, there is a designated parking space for one car, ensuring you have convenient off-street parking.
