# Future Growth & Investment Advantages

## Development Potential & Investment Highlights

- Expansion of residential development and sales (villas, apartments, plots) supported by operating golf course.
- Construction of a boutique hotel.
- Development of a village square with retail and leisure amenities.
- One of only four operating golf resorts in Cyprus with approved hotel and residential plans.
- Existing Faldo-signature golf course and operational clubhouse infrastructure.
- The Resort will be hosting EGA (European Golf Association) Senior Championship in 2026.

# Future Growth & Investment Advantages

- › The Project has secured a valid planning permit (Masterplan) until 2029, renewable thereafter subject to construction commencement. Subsequent phases will proceed following renewal or issuance of specific Building Permits and completion of defined infrastructure prerequisites.
- › Further value can be unlocked through participation in the Government Scheme for Strategic Projects, which may grant increased building coefficients and expedited permitting processes.
